RE: Antidumping duty order on large power transformers from the Republic of Korea (A-580-867)

1. On August 31, 2012, Commerce published in the Federal Register its antidumping duty order on large power transformers from the Republic of Korea (77 FR 53177).
2. The merchandise covered by the order is large liquid dielectric power transformers (LPTs) having a top power handling capacity greater than or equal to 60,000 kilovolt amperes (60 megavolt amperes), whether assembled or unassembled, complete or incomplete. Incomplete LPTs are subassemblies consisting of the active part and any other parts attached to, imported with or invoiced with the active parts of LPTs. The "active part" of the transformer consists of one or more of the following when attached to or otherwise assembled with one another: the steel core or shell, the windings, electrical insulation between the windings, the mechanical frame for an LPT. The product definition encompasses all such LPTs regardless of name designation, including but not limited to step-up transformers, step-down transformers, autotransformers, interconnection transformers, voltage regulator transformers, rectifier transformers, and power rectifier transformers. The LPTs subject to this order are currently classifiable under subheadings 8504.23.0040, 8504.23.0080 and 8504.90.9540 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this order is dispositive.
3. For imports of large power transformers from the Republic of Korea, CBP shall resume suspension of liquidation of entries of subject merchandise entered, or withdrawn from warehouse, for consumption on or after 08/30/2012 (the date on which the International Trade Commission published its final determination in the Federal Register). Effective 08/30/2012, CBP shall require a cash deposit equal to the margins in effect at the time of entry.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O7:BD.)

5. There are no restrictions on the release of this information.
